

MacSkills Parent Information

Please join us on Thursday, November 13, 2014 from
5:30-7:00 P.M at McAuliffe Heights for:

"A Sharp Look at K-2 Math PA (Common) Core"

Presenters: Miss Archey and Miss Mazzetti welcome special guest-speaker:
Mrs. Lisa Reilly, Instructional Coach for Baker Elementary School

The session will cover:

- What are PA (Common) core Math standards for K, 1, and 2?
- What is the shift in thinking with PA (Common) core?
- What does a common core Math lesson look like in the primary classroom?
- What can I do to help my learner at home with PA (Common) core Math?

Please complete the following information to attend this session and return it to school by
Monday, November 10, 2014.

You must sign-up in advance to attend this session.

ALL Grade Level families are invited to learn the "Basics" of Primary PA Core Math
